

Utah System of Higher Education
Nursing Assistant (two courses)
FY2025 / 3 Credits (114 Clock-Hours)

Foundational Courses

TENA 1110 Nursing Assistant

3 Credits / 90 Clock-Hours

The Nursing Assistant course introduces students to basic nursing skills in a classroom and laboratory setting.

Objectives:

- Explain activities of daily living and nursing assistant scope of practice.
- Describe how critical criteria such as recognizing and reporting, communication, infection control, safety, and residents' rights are applied in the care setting.
- Demonstrate proficiency in all skills required for state certification.

TENA 1900 Nursing Assistant Clinical

0.5 Credits / 24 Clock-Hours

Clinical experience of 24 hours under the direct supervision of a licensed nurse.

Objectives:

- Demonstrate the critical criteria (recognizing and reporting, communication, infection control, safety, and resident's rights) as applied in the care setting.
- Perform nursing assistant skills in a healthcare setting.
