TELE 1030 Law Enforcement Officer **12 Credits / 360 Clock-Hours**

Law Enforcement Officer prepares students for certification as peace officers. All law enforcement departments require completing this program before employment as a patrol officer, investigator, or deputy. Students gain experience through classroom and practical applications in all law enforcement subjects.

Objectives:
• Apply skills learned in the investigation of a variety of situations such as domestic violence, traffic accidents, DUI incidents, and more.
• Demonstrate proficiency through the successful completion of qualifications in firearms, defensive tactics, and physical fitness.
• Implement proper tactics to successfully deal with high-stress situations.
• Demonstrate proficiency with law enforcement tools such as Radar/Lidar and intoxilyzer.
