UTAH SYSTEM OF HIGHER EDUCATION

Utah System of Higher Education
Home Health Aide
FY2027 / 10 Credits (300 Clock-Hours)

Foundational Courses

TEHH 1111 Home Health Aide **10 Credits / 300 Clock-Hours**

The Home Health Aide course examines the holistic approach to safely caring for patients in a variety of settings. While in this course, you will analyze how healthcare systems operate and how to function efficiently within a facility. You will also practice how to work on a healthcare team to meet patient needs. After completing this course and passing a state certification examination, you will play an essential role on a healthcare team by observing, reporting, and performing skills in a home health setting.

Objectives:
• Explore how to safely care for patients and residents in a variety of healthcare settings.
• Recognize the skills needed to pass the State of Utah Certified Nurse Assistant (C.N.A.) examination administered by UNAR.
• Identify the skills and knowledge necessary to be an essential part of the healthcare team and meet the needs of patients and residents.
